Login

A mobile application login screen. At the top is a dark red header with a back arrow and the text "Log in". Below this are two large buttons: a blue one with the Facebook logo and "LOGIN WITH FACEBOOK", and a red one with the Google logo and "LOGIN WITH GOOGLE". A grey "OR" separator follows. Below is a white box titled "Log in with your email" containing an "Email" input field, a "Password" input field with a green underline, a "Forgot password?" link, and a red "LOG IN" button. At the bottom, a grey button says "SIGN UP NOW" after the text "Not a member yet?". The status bar at the top shows "VIRGIN", "4:21 PM", and "22%" battery.

Signup

A screenshot of a mobile application's registration screen. The status bar at the top shows 'VIRGIN' network, signal strength, time '4:21 PM', and 22% battery. The app's header is dark red with a back arrow and the title 'Register'. The main content area is white and contains a message: 'We need a few more details about you before we set up your account'. Below this are three input fields: an email field with 'hatt@taydotech.com', a name field with 'Name', and a password field with eight dots. A checkbox is located below the password field, with the text 'I agree to the Times of India Terms & Conditions'. At the bottom of the white area is a red button labeled 'LOG IN'.
